

NOTIFICATION OF ADDENDUM

ADDENDUM NO. 1

DATED 8/26/2009

Control	6196-89-001
Project	RMC - 619689001
Highway	IH0035
County	COMAL

Ladies/Gentlemen:

Attached please find an addendum on the above captioned project. Included in the attachment is an addendum notification which details the changes and the respective proposal pages which were added and/or changed.

Except for new bid insert pages, it is unnecessary to return any of the pages attached.

Bid insert pages must be returned with the bid proposal submitted to the Department, unless your firm is submitting a bid using a computer print out. The computer print out must be changed to reflect the new bid item information.

Contractors and material suppliers, etc. who have previously been furnished informational proposals are not being furnished a copy of the addendum. If you have a subcontractor on the above project, please advise them of this addendum. Acknowledgment of this addendum is not requested if your company has been issued a proposal stamped "This Proposal Issued for Informational Purposes."

You are required to acknowledge receipt of this addendum on the Addendum Acknowledgement form contained in your bid proposal by placing a mark in the box next to the respective addendum.

Failure to Acknowledge receipt of this addendum in your bid proposal will result in your bid not being read.

General Notes

TxDOT Project Supervisor – The project will be managed by:

John A. Cox
4102 IH 35 South
New Braunfels, TX 78130
Phone: 830-609-0707
Fax: 830-620-1916

This project consists of performing janitorial and grounds maintenance for picnic areas, a historical monument and a park and ride facility located in Comal County.

Each contract awarded by the Department stands on its own and as such, is separate from other contracts. A contractor awarded multiple contracts, must be capable and sufficiently staffed to concurrently process any or all contracts at the same time.

Notify the Engineer's office by telephone each morning by 8:15 a.m. that work is scheduled, with work location and time of arrival or reason for not working that day.

Workers performing janitorial maintenance activities shall be dressed professionally.

Item 2 “Instructions to Bidders”

This project includes plan sheets that are not part of the bid proposal.

View plans on-line or download from the web at:

<http://www.dot.state.tx.us/business/plansonline/plansonline.htm>.

Order plans from any of the plan reproduction companies shown on the web at:

<http://www.dot.state.tx.us/gsd/plans/companies.htm> .

Item 8 “Prosecution and Progress”

Working days will be computed and charged in accordance with Article 8.3.A.6, Other. Working days will be charged Monday thru Friday, excluding national or state holidays, if weather or other conditions permit the performance of the principle unit of work underway, as determined by the Engineer, for a continuous period of at least 7 hours between the working hours shown below. Work on Saturdays, Sundays, state and national holidays will not be permitted without written permission of the Engineer. If work requiring an inspector is performed on a Saturday, Sunday, or holidays and weather or other conditions permit the performance of work for 7 hours between the working hours shown below, a working day will be charged.

Perform work between the hours of 7:00 A.M. and 5:00 P.M.

County: Comal

Control: 6196-89-001

Highway: IH 35, etc.

Item 502 “Barricades, Signs, and Traffic Handling”

Furnish and install all signs, barricades and other incidentals necessary for proper traffic control, in accordance with part VI of the “Texas Manual on Uniform Traffic Control Devices for Streets and Highways” and in accordance with the standard plan sheets. Additional devices may be needed to supplement these requirements. All warning signs shall be factory made and in satisfactory condition.

Use CW20-9 “Mowers Ahead” sign mounted on portable supports during mowing operations. Place signs in accordance with RS-TCP-05.

Erect signs in locations not obstructing the traveling public’s view of the normal roadway signing or necessary sight distance at intersections and curves.

Traffic control will be subsidiary to the various bid items.

Item 745 “Picnic and Rest Area Maintenance”

Perform janitorial maintenance (Units #1, 2A, 2B, 3 and 4) each Monday and Thursday of each week and more often as directed. Perform janitorial maintenance at the boat ramp (Unit #5) each Monday, Wednesday, and Friday of each week and more often as directed.

A work order will be issued to the Contractor each time a cycle of grounds maintenance is to be performed. Complete one cycle of grounds maintenance in four (4) working days.

Liquidated damages will be assessed for any working day charged beyond the authorized time for each cycle of janitorial and grounds maintenance.

Removal and disposal of grass clippings, tree clippings and leaves will be as approved.

If a portable dumpster is used, storage will not be permitted on the right of way.

When changing barrel liners, the date and time of change will be placed on the exposed portion of the liner facing the parking area, markers will be provided by TxDOT. Trash liners will be supplied by the State and can be picked up at the New Braunfels Area Office.
